

## 2-Day Homeschool Itinerary: Exploring Wild Hog Paintball (Hochatown, OK)

### Day 1: Strategy, Safety & Sport

#### Morning:

- **Location:** [Wild Hog Paintball](#)
- **Activity:**
  - Participate in a beginner-friendly paintball game.
  - Learn about gear setup, safety procedures, and field rules.
  - Discuss teamwork, communication, and the importance of strategy in group games.
- **Subjects:** PE, Physics (trajectory, force), Safety, Psychology (focus & decision-making).

#### Lunch:

- **Restaurant: Buffalo Grill** – Tasty burgers, BBQ sandwiches, and shaded outdoor seating. Great for recharging after a morning of high-energy action.  
*Kid-friendly menu and fast service.*

#### Afternoon:

- **Activity:**
  - Strategy Lab: Draw the paintball field layout and map out tactical movements.
  - Discuss the physics behind aiming, distance, and paintball velocity.
  - Reflect on group coordination and lessons learned during play.

### Day 2: History, Strategy & Reflection

#### Morning:

- **Location:** Cabin or homeschool setting
- **Activity:**
  - Dive into the **history of paintball**, from forest games to professional tournaments.
  - Compare paintball to other strategic sports like capture the flag or laser tag.
  - Begin a writing activity: “My First Paintball Mission” — creative storytelling or journal-style reflection.

#### **Lunch:**

- **Restaurant: The Eat Out** (Closed) → Updated to: **Shuck Me Hochatown**
  - Laid-back atmosphere with fried shrimp, fish baskets, and kid-friendly chicken tenders. Indoor and patio seating available.

#### **Afternoon:**

- **Activity:**
  - Paintball Stats & Strategy Wrap-Up: Chart your accuracy, shots taken, hits, and distance covered.
  - Build a team strategy for a mock game — assign roles like scout, defender, and leader.
  - Optional: Design your own paintball course on paper using angles and cover positions (Geometry tie-in).

#### **Optional Treat:**

- **Stop at: Hochatown Sweet Shoppe** – Reward your tactical teamwork with fudge, taffy, or ice cream!
